Appreciation Letter

Dear Brethren,

Greetings to our fellow co-workers and contributors to the Manassas India Mission work. In the words of the Apostle Peter, may grace and peace be yours in the fullest measure! We would like to report to you that the work in India and here in the United States continues in the expansion and growth of our Lord's church. This time of year in India the preachers are active in their summer preaching and traveling meetings, with wonderful results in the salvation of souls. During June, for example, our brethren conducted over 40 Gospel Meetings with an average of three baptisms per meeting. We rejoice with the Angles of Heaven at the addition of these souls to the Kingdom of God. We are also active in the Hyderabad city area, the Pamidipadu farmland villages, and up north in Bagdogra area near the borders of Nepal, Burma (Myanmar), and Bangladesh, and even China.

You may have heard of the unrest and persecution of the Saints in the city of Imphal, and throughout the state of Manipur. That unrest continues and has dampened the effort to restart the Imphal school of preaching at this time. We have plans moving forward and will keep you apprised of the situation there.

We are also trying our best to get out and present a report of our work to you in person, as time and availability become apparent. We will work with your congregation to present our work to you in person, or via live video or recorded video if necessary. You now are aware from our last letter that Steve Gaudreau made the first trip back to India after several years of COVID restrictions. His mission and campaign this past February with the brethren there was very successful for the glory of God, and he has put together a presentation as result of his trip.

Paul reminds us in Romans 10:14,15 that the mission work must continue, and that funds are needed to support the work for the preachers, for the construction of churches and schools, for benevolence, for travel, and most recently for a special work we accomplished in providing 10,000 song books to the brethren in the south that speak Telegu language. There is an urgency to taking advantage of the opportunity that India's white fields offer to us for evangelism. Your gifts are needed and essential to our reaching the lost of India. Thanks for your prayers and financial support.

Steve Gaudreau, Juanita and I look forward to meeting with you in fellowship and worship in the near future.

May God continue to bless our work for His glory in the days and years ahead.

Below you will find a record of your most recent gift(s). This record is provided by our India Fund Treasurer, brother Ed Dugas.
